Comme une jeune fille française

09-05-2020

Hôtel du Globe, Vichy, 14 Mai—Dear Uncle John, You'll never believe I got my very first French manicure! Mum got un soin des ongles, too, and now we're ready for the Season (which opens tomorrow, in case you didn't know). I've told her I'll need proper shoes too. Mum says I'm too young for proper shoes, but I can't keep dressing like a child, especially when I'm expected to toujours discuter nos affaires comme une jeune fille française.
