

## Tea with Mr. Kipling

13-01-2021

By special arrangement with Mr. Kipling and through the good offices of our London correspondent , George T. Bye, who did all the work except the composition of the poem, we were able to print "Justice" in the issue for November 1st. [...] So it was arranged that Corporal Wrench and his buddy would take tea with Mr. Kipling at Brown's Hotel that afternoon.
